PUBLIC SERVICE  
COMMISSION

**RE: *Application of Cumberland Cellular Partnership for Issuance of a Certificate of Public Convenience and Necessity to Construct a Cell Site (Sycamore Flats) in Rural Service Area #5 (Russell) of the Commonwealth of Kentucky - Case No. 2006-00146***

Dear Ms. O'Donnell:

The purpose of this letter is to advise the Public Service Commission of the Commonwealth of Kentucky (the "Commission") that Cumberland Cellular Partnership ("Cumberland Cellular") is hereby withdrawing its pending application for a certificate of public convenience and necessity in the above referenced matter.

Cumberland Cellular intends to move the location of the proposed cell tower to an alternate site, which will be approximately 1,200 feet northeast of the location identified in the application in this matter.

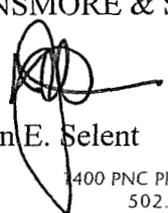

The real property to which Cumberland Cellular intends to move its cell site, was, until just recently, unavailable for use for the purposes required by Cumberland Cellular. This new site will be located approximately 200 feet from the residence of Mr. Andrew Antle, who is leasing the real property to Cumberland Cellular for the cell site.

Therefore, Cumberland Cellular requests that this matter (Case No. 2006-00146) be dismissed, forthwith; Cumberland Cellular will file a new application for a certificate of public convenience and necessity with the Commission with respect to the new location for its cell site, briefly described in this letter.

Thank you and if you have any questions, please call me.

Very truly yours,
